Dear Mr. Llorens,

I am so grateful for your organization's talent and ability to create something beautiful. The stained glass windows that were placed in our new chapel are outstanding!

For many of our guests, life has not been beautiful. Men, women, and children come to us with broken hearts, desperate to find solace from circumstances that have left them hungry, alone, and without a home. God has blessed us to be able to provide them with physical and spiritual needs for decades. But this chapel will be a new chapter in our history. Never before have we had a space purely designed for its occupants to seek and worship God.

I am confident that the stained glass windows will further create an environment that draws people to the lasting source of Hope. Thank you, so very much, for blessing us as we continue the work of bringing hope and healing to the homeless in Central Florida.

Because He is magnificent,

Allen Harden
